9 to 5 - Dolly Parton

Well, I tumble outta bed and stumble to the kitchen
Pour myself a cup of ambition
Yawn and stretch and try to come to life

Jump in the shower and the blood starts pumping
Out on the street, the traffic starts jumping
With folks like me on the job from 9 to 5

Working 9 to 5, what a way to make a living
Barely getting by, it's all taking and no giving
They just use your mind, and they never give you credit
It's enough to drive you crazy if you let it

Working 5 to 9, you've got passion and a vision
'Cause it's hustlin' time, a whole new way to make a livin'
Gonna change your life, do somethin' that gives it meanin'
With a website that is worthy of your dreamin'

Well you got dreams and you know they matter
Be your own boss, climb your own ladder
That moment's getting closer by the day

And you're in the same boat with a lotta your friends
Launching ideas you all believe in
The tide's gonna turn, and it's all gonna roll your way

Working 5 to 9, making something of your own now
And it feels so fine to build a business from your know-how
Gonna move ahead, and there's nothing that you can't do
When you listen to that little voice inside you

Yeah, 5 to 9 you've got passion and a vision
'Cause it's hustlin' time, a whole new way to make a livin'
Gonna change your life, do somethin' that gives it meanin'
With a website that is worthy of your dreaming

5 to 9, you keep working, working, working
Working 5 to 9, 'til your dreams, come true
Working 5 to 9, you keep dreaming, dreaming, dreaming
5 to 9, 5 to 9, you can do it

Adieu Sweet Bahnhof - the Nits

Verse 1

I have been waiting for hours in this train
And I'm riding through Brussels in the rain
Back to Paris more or less confused
By the shadows of tractors on the land
By the changes in my life I pretend
There's a new life waiting there for me

verse 2

I asked myself what sort of books I'd read
In a train if I ever felt the need
I bought "My life with Picasso"
I think of so many things I like to do
I will go to the Centre Pompidou
There's a still-life part of my life too

Refrein

Adieu, adieu sweet Bahnhof
My train of thoughts is leaving
Adieu, adieu sweet Bahnhof
My train of thoughts is leaving tonight

verse 3

Now like an arrow we're aimed at Gare do Nord
Between backs of the houses streets like fjords
And the night falls over Paris
So I've come back to the Hotel d'Angleterre
I lay down on a double bed and stare
At the ceiling what a feeling (to be back)

Refrein

Adieu, adieu sweet bahnhof
My train of thoughts is leaving
Adieu, adieu sweet bahnhof
My train of thoughts is leaving tonight
Adieu, adieu sweet bahnhof
My train of thoughts is leaving
Adieu, adieu sweet bahnhof
My train of thoughts is leaving
Adieu, adieu sweet bahnhof
My train of thoughts is leaving tonight

All of me - John Legend

Verse 1

What would I do without your smart mouth
Drawing me in, and you kicking me out
Got my head spinning, no kidding,
I cant pin you down
Whats going on in that beautiful mind
Im on your magical mystery ride
And Im so dizzy, dont know what hit me,
but Ill be alright

Bridge

My heads under water
But Im breathing fine
Youre crazy and Im out of my mind

Chorus

Cause all of me
Loves all of you
Love your curves and all your edges
All your perfect imperfections
Give your all to me
Ill give my all to you
Youre my end and my beginning
Even when I lose Im winning
Cause I give you all, all of me
And you give me all, all of you, oh

Verse 2

How many times do I have to tell you
Even when youre crying you beautiful too
The world is beating you down,
Im around through every move
Youre my downfall, youre my muse
My worst distraction, my rhythm and blues
I cant stop singing, its ringing,
in my head for you

Bridge

My heads under water
But Im breathing fine
Youre crazy and I'm out of my mind

Chorus

Cause all of me
Loves all of you
Love your curves and all your edges
All your perfect imperfections
Give your all to me
Ill give my all to you
Youre my end and my beginning
Even when I lose Im winning
Cause I give you all, all of me
And you give me all, all of you, oh
give me all of you

Bridge Change

Cards on the table
Were both showing hearts
Risking it all, though its hard

Chorus

Cause all of me
Loves all of you
Love your curves and all your edges
All your perfect imperfections
Give your all to me
Ill give my all to you
Youre my end and my beginning
Even when I lose Im winning
Cause I give you all, all of me
And you give me all, all of you,
I give you all, all of me
And you give me all, all of you, oh

Als Ze Er Niet Is - De Dijk

Verse

tien tegen een dat ik mijn mond houd,
als ik je weer zie
Ik ken mezelf onderhand,
een prater ben ik niet
Hoe was het hier zou je vragen.....
en ik zal zeggen goed
En ik zeg je niet wat ik nu denk en
wat ik je eigenlijk zeggen moet

Chorus

Een man weet niet wat 'ie mist.....
weet niet wat 'ie mist
Een man weet niet wat 'ie mist.....
een man weet niet wat 'ie mist
Maar als ze er niet is, als ze er niet is
weet een man pas wat 'ie mist,
Als ze er niet is

Verse

Jij praat honderd uit over hoe het was,
over hoe je het hebt gehad
Misschien als ik op dreef ben,
zeg ik een keertje schat
Dan vraag je mij hoe was het bij jou,
hooguit zeg ik dan: stil
En ik zeg je weer niet wat ik nu weet,
wat ik je eindelijk zeggen wil -

Chorus

Een man weet niet wat 'ie mist.....
weet niet wat 'ie mist
Een man weet niet wat 'ie mist.....
een man weet niet wat ie mist
Maar als ze er niet is, als ze er niet is

Bridge

Pas nu je hier niet bent,
nu voel ik het in mij
Nu je mij niet hoort
voel ik het woord voor woord, voor woord

Solo

Chorus

Een man weet niet wat 'ie mist.....
weet niet wat 'ie mist
Een man weet niet wat 'ie mist.....
een man weet niet wat 'ie mist
Maar als ze er niet is, als ze er niet is
weet een man pas wat 'ie mist,
Als ze er niet is

A Thousand Miles - Vanessa Carlton

Making my way downtown walking fast
Faces pass and I'm home bound
Staring blankly ahead just making my way
Making a way through the crowd

And I need you
And I miss you
And now I wonder

If I could fall into the sky
Do you think time would pass me by?
'Cause you know I'd walk a thousand miles
If I could just see you tonight

It's always times like these when I think of you
And I wonder if you ever think of me
'Cause everything's so wrong and I don't belong
Living in your precious memories

'Cause I'll need you
And I'll miss you
And now I wonder

If I could fall into the sky
Do you think time would pass me by?
'Cause you know I'd walk a thousand miles
If I could just see you tonight

And I, I don't want to let you know
I, I drown in your memory
I, I don't want to let this go
I, I don't

Making my way downtown walking fast
Faces pass and I'm home bound
Staring blankly ahead just making my way
Making a way through the crowd

And I still need you
And I still miss you
And now I wonder

If I could fall into the sky
Do you think time would pass us by?
'Cause you know I'd walk a thousand miles
If I could just see you

If I could fall into the sky
Do you think time would pass me by?
'Cause you know I'd walk a thousand miles
If I could just see you, if I could just hold you tonight

Baby can I hold you - Tracy Chapman

Verse

Sorry
Is all that you can't say
Years gone by and still
Words don't come easily
Like sorry, like sorry

Verse

Forgive me
Is all that you can't say
Years gone by and still
Words don't come easily
Like forgive me, forgive me

Chorus

But you can say baby
Baby, can I hold you tonight
Baby, if I told you the right words,
oo- at the right time, you'd be mine

Verse

I love you
Is all that you can't say
Years gone by and still
Words don't come easily
Like I love you, I love you

Chorus

But you can say baby
Baby, can I hold you tonight
Baby, if I told you the right words,
oo- at the right time, you'd be mine

Baby, can I hold you tonight
Baby, if I told you the right words,
oo- at the right time, you'd be mine

You'd be mine
You'd be mine

Bartender - Lady Antebellum

Verse 1

8 o'clock on Friday night I'm still at home
All my girls just keep on blowing up my phone
Saying "come on he ain't worth the pain"
"Do what you gotta do to forget his name"
Now there's only one thing left for me to do
Slip on my favorite dress and sky high leather boots
Check the mirror one last time
And kiss the past goodbye

Chorus

What I'm really needing now
Is a double shot of Crown
Chase that disco ball around
'Til I don't remember
Go until they cut me off
Wanna get a little lost
In the noise, in the lights
Hey bartender pour 'em hot tonight
'Til the party and the music and the truth collide
Bring it 'til his memory fades away
Hey bartender

Verse 2

Tonight I'll let a stranger pull me on the floor
Spin me 'round and let him buy a couple more
But before it goes too far
I'll let him down easy
Cause tonight it's all about
Dancing with my girls to the DJ
Put that song on replay

Chorus

What I'm really needing now
Is a double shot of Crown
Chase that disco ball around
'Til I don't remember
Go until they cut me off
Wanna get a little lost
In the noise, in the lights
Hey bartender pour 'em hot tonight
'Til the party and the music and the truth collide
Bring it 'til his memory fades away
Hey bartender

Bridge

I'm feeling that buzz
I'm ready to rock
Ain't no way I'm gonna tell you to stop
So pour that thing up to the top
I'm coming in hot
Hey bartender
Ooh, oh, oh, oh

Chorus

Hey Bartender
What I'm really needing now
Is a double shot of Crown
Chase that disco ball around
'Til I don't remember
Go until they cut me off
Wanna get a little lost
In the noise, in the lights
Hey bartender pour 'em hot tonight
'Til the party and the music and the truth collide
Bring it 'til his memory fades away
Hey bartender
Hey bartender

Binnen - Marco Borsato

Verse

Open mijn ogen -
Kijk om me heen
Alles lijkt veranderd
Mijn buik doet raar en ik voel me vreemd
En ik vraag me af
wat dit gevoel veroorzaakt heeft
Mijn gedachten lijken zelfs niet meer van mij
Kan mezelf niet vinden
En de reden dat ben jij

Chorus

Je bent binnen, binnen in mijn hart,

binnen in mijn ziel, van binnen
binnen sinds de dag
dat ik voor jou viel binnen
binnen in de droom die ik met je wil beginnen
je bent binnen binnen....

Verse

Het leven werd door mij alleen geregisseerd
maar zonder iets te zeggen
(met mezelf te overleggen)
heb ik alle rollen omgekeerd
en ik vraag me af waarom ik doe
wat ik nu doe
maar het antwoord op die vraag
komt niet van mij
ik lijk gek te worden
en de reden dat ben jij

Chorus

Ik zit bij jou achterop de fiets
we gaan steeds iets harder
ik zie bijna niets
ik sta voor de keuze
nu er af of voor altijd mee
ik besluit de angsten van me af te slaan
en voor altijd met je mee te gaan
m'n hoofd tegen je rug gedrukt
en mijn armen om je heen....

Chorus

Binnen!
Binnen in mijn hart binnen in mijn ziel van
binnen
binnen sinds de dag dat ik voor jou viel
binnen
binnen in de droom die ik met je wil beginnen
je bent binnen

heejeeeeeeeeeeeeee

binnen in mijn hart binnen in mijn ziel
binnen sinds de dag dat ik voor je viel
als ik van je droom
als ik denk als ik werk als ik vrij ben
als ik me verveel of mezelf weer eens kwijt
ben

heejeeeeeeeeeeeeeeeeee

je bent binnen
heejeeeeeeeeeeeeee
je bent binnen
je bent binnen
hejeeeeeeeeeeeeee hee!

Black Horse & The Cherry Tree - KT Tunstall

Two, three, four
Well, my heart knows me better than I know myself
So I'm gonna let it do all the talking
(Woo, hoo, woo, hoo)

I came across a place in the middle of nowhere
With a big black horse and a cherry tree
(Woo, hoo, woo, hoo)

I fell in fear upon my back
I said don't look back, just keep on walking
(Woo, hoo, woo, hoo)
When the big black horse that looked this way
Said, hey lady, will you marry me?
(Woo, hoo, woo, hoo)

But I said no, no, no, no, no, no
I said, no, no, you're not the one for me
No, no, no, no, no, no
I said, no, no, you're not the one for me

And my heart had a problem in the early hours
So it stopped it dead for a beat or two
(Woo, hoo, woo, hoo)
But I cut some cord, and I shouldn't have done that
And it won't forgive me after all these years
(Woo, hoo, woo, hoo)

So I sent her to a place in the middle of nowhere
With a big black horse and a cherry tree
(Woo, hoo, woo, hoo)
Now it won't come back 'cause it's oh-so-happy
And now I've got a hole for the world to see
(Woo, hoo, woo, hoo)

But it said no, no, no, no, no, no
I said, no, no, you're not the one for me
No, no, no, no, no, no
Said, no, no, you're not the one for me

Said, no, no, no, no, no, no, no, no
You're not the one for me
Said, no, no, no, no, no, no, no, no
You're not the one for me

Big black horse and a cherry tree
I can't quite get there 'cause they've all forsaken me
Big black horse and a cherry tree
I can't quite get there 'cause they've all forsaken me

Black or White - Michael Jackson

I took my baby on a Saturday bang
Boy is that girl with you
Yes we're one and the same

Now I believe in miracles
And a miracle has happened tonight

But, if you're thinkin' about my baby
It don't matter if you're black or white

They print my message in the Saturday Sun
I had to tell them I ain't second to none

And I told about equality and it's true
Either you're wrong or you're right

But, if you're thinkin' about my baby
It don't matter if you're black or white

I am tired of this devil
I am tired of this stuff
I am tired of this business
Sew when the going gets rough
I ain't scared of your brother
I ain't scared of no sheets
I ain't scared of nobody
Girl when the goin' gets mean

Protection
For gangs, clubs, and nations
Causing grief in human relations
It's a turf war on a global scale
I'd rather hear both sides of the tale
See, it's not about races
Just places
Faces
Where your blood comes from
Is where your space is
I've seen the bright get duller
I'm not going to spend my life being a color

Don't tell me you agree with me
When I saw you kicking dirt in my eye

But, if you're thinkin' about my baby
It don't matter if you're black or white

I said if you're thinkin' of being my baby
It don't matter if you're black or white

I said if you're thinkin' of being my brother
It don't matter if you're black or white

Ooh, ooh
Yea, yea, yea now
Ooh, ooh
Yea, yea, yea now

It's black, it's white
It's tough for them to get by
It's black, it's white, (x3) whoo

Bitch - Meredith Brooks

Verse

I hate the world today
You're so good to me
I know but I can't change
Tried to tell you
But you look at me like maybe
I'm an angel underneath
Innocent and sweet

Verse

Yesterday I cried
Must have been relieved to see
The softer side
I can understand how you'd be so confused
I don't envy you
I'm a little bit of everything
All rolled into one

Chorus:

I'm a bitch, I'm a lover
I'm a child, I'm a mother
I'm a sinner, I'm a saint
I do not feel ashamed
I'm your hell, I'm your dream
I'm nothing in between
You know you wouldn't
want it any other way

Verse

So take me as I am
This may mean
You'll have to be a stronger man
Rest assured that
When I start to make you nervous
And I'm going to extremes
Tomorrow I will change
And today won't mean a thing

Chorus

Solo

Just when you think, you got me figured out
The season's already changing
I think it's cool, you do what you do
And don't try to save me

Chorus

I'm a bitch, I'm a tease
I'm a goddess on my knees
When you hurt, when you suffer
I'm your angel undercover
I've been numb, I'm revived
Can't say I'm not alive
You know I wouldn't want it any other way

Blame it on the boogie - Michael Jackson

Verse

My baby's always dancin'
And it wouldn't be a bad thing
But I don't get no loving
And that's no lie

We spent the night in Frisco
At every kind of disco
From that night I kissed
Our love goodbye

Chorus

Don't blame it on sunshine
Don't blame it on moonlight
Don't blame it on good times
Blame it on the boogie (2x)

Verse

The nasty boogie bugs me
But somehow it has drugged me
Spellbound rhythm gets me
On my feet

I've changed my life completely
I've seen the lightning leave me
My baby just can't take
Her eyes off me

Chorus

Don't blame it on sunshine
Don't blame it on moonlight
Don't blame it on good times
Blame it on the boogie (2x)

Bridge

I just can't, I just can't
I just can't control my feet (4x)

Chorus

Don't blame it on sunshine
Don't blame it on moonlight
Don't blame it on good times
Blame it on the boogie (2x)

This magic music grooves me
That dirty rhythm moves me
The devil's gotten to me
Through this dance

I'm full of funky fever
And fire burns inside me
Boogie's got me in a
Super trance

Chorus

Don't blame it on sunshine
Don't blame it on moonlight
Don't blame it on good times
Blame it on the boogie (2x)

Bridge

Owww - sunshine
Whoo - moonlight
Yeah - goodtimes
Mmmm - boogie

You just gotta - sunshine
Yeah - moonlight
Goodtimes
Good times - boogie

Don't you blame it - sunshine
You just gotta - moonlight
You just wanna - goodtimes
Yeah - boogie
Ohh blame it on yourself - sunshine
Ain't nobody's fault - moonlight
But yours and that boogie - goodtimes
On all night long - boogie

Yours and that boogie - sunshine
Ain't nobody's fault - moonlight
But yours and that boogie - goodtimes
Dancin' all night long - boogie

Blame it on yourself - sunshine
Ain't nobody's fault - moonlight
But yours and that funky
funky boogie all night long - goodtime
Dancin' all night long - boogie

Can't Stop The Feeling - Justin Timberlake

I got this feeling inside my bones
It goes electric, wavy when I turn it on
All through my city, all through my home
We're flying up, no ceiling,
when we in our zone

I got that sunshine in my pocket
Got that good song in my feet
I feel that hot blood in my body when it drops
I can't take my eyes up off it,
moving so phenomenally
You gon' like the way we rock it, so don't stop

Under the lights when everything goes
Nowhere to hide when I'm getting you close
When we move, well, you already know
So just imagine, just imagine, just imagine

Nothing I can see
but you when you dance, dance, dance
Feeling good, good, creeping up on you
So just dance, dance, dance, come on
All those things I should do to you
But you dance, dance, dance
And ain't nobody leaving soon,
so keep dancing

I can't stop the feeling
So just dance, dance, dance
I can't stop the feeling
So just dance, dance, dance, come on

Ooh, it's something magical
It's in the air, it's in my blood, it's rushing on
I don't need no reason, don't need control
I fly so high, no ceiling, when I'm in my zone

Cause I got that sunshine in my pocket
Got that good song in my feet
I feel that hot blood in my body when it drops
I can't take my eyes up off it, moving so
phenomenally
You gon' like the way we rock it, so don't stop

Under the lights when everything goes
Nowhere to hide when I'm getting you close
When we move, well, you already know
So just imagine, just imagine, just imagine

Nothing I can see
but you when you dance, dance, dance
Feeling good, good, creeping up on you
So just dance, dance, dance, come on
All those things I should do to you
But you dance, dance, dance
And ain't nobody leaving soon, so keep
dancing

I can't stop the feeling
So just dance, dance, dance
I can't stop the feeling
So just dance, dance, dance
I can't stop the feeling
So just dance, dance, dance
I can't stop the feeling
So keep dancing, come on

I can't stop the, I can't stop the
I can't stop the, I can't stop the
I can't stop the feeling

Nothing I can see
but you when you dance, dance, dance
(I can't stop the feeling) Feeling good, good,
creeping up on you
So just dance, dance, dance, come on
(I can't stop the feeling)
All those things I should do to you
But you dance, dance, dance
(I can't stop the feeling)
And ain't nobody leaving soon, so keep
dancing

Everybody sing
(I can't stop the feeling)
Got this feeling in my body
(I can't stop the feeling)
Got this feeling in my body
(I can't stop the feeling)
Wanna see you move your body
(I can't stop the feeling)
Got this feeling in my body
Break it down
Got this feeling in my body
Can't stop the feeling
Got this feeling in my body, come on

Crazy - Seal

In a church, by the face
He talks about the people going under

Only child know

A man decides after seventy years
That what he goes there for,
is to unlock the door
While those around him criticize and sleep
And through a fractal on a breaking wall
I see you my friend,
and touch your face again
Miracles will happen as we trip

But we're never gonna survive, unless
We get a little crazy
No we're never gonna survive, unless
We are a little crazy

Crazy yellow people
walking through my head
One of them's got a gun,
to shoot the other one
And yet together they were friends at school
Ohh, get it, get it, get it, get it no no

If all were there when we first took the pill
Then maybe, then maybe,
then maybe, then maybe
Miracles will happen as we speak

But we're never gonna survive unless
We get a little crazy
No we're never gonna survive unless
We are a little crazy
No no, never survive, unless we get a little bit

Oh, a little bit
Oh, a little bit

Oh
Oh

Amanda decides to go along after seventeen
years

Oh darlin'
In a sky full of people, only some want to fly
Isn't that crazy
In a world full of people, only some want to fly
Isn't that crazy, crazy
In a heaven of people
there's only some want to fly
Ain't that crazy
Oh babe, oh darlin'
In a world full of people
there's only some want to fly
Isn't that crazy, isn't that crazy,
isn't that crazy, isn't that crazy

But were never gonna survive unless,
we get a little crazy
No were never gonna to survive
unless we are a little
But were never gonna survive unless,
we get a little crazy
No were never gonna to survive unless,
'we are a little, crazy
No no, never survive unless, we get a little bit

And then you see things
The size of which youve never known before

They'll break it

Someday, only child know

Them things
The size of which youve never known before

Someday...
Someway...
Someday...
Someway...
Someday...
Someway...
Someday...
Someway...

Crazy little thing called love - Queen

This thing called love,
I just can't handle it
This thing called love,
I must get round to it
I ain't ready

It cries in a cradle all night
It swings, it jives,
It shakes all over like a jelly fish
I kinda like it

Creep - Radiohead

Verse

When you were here before,
Couldn't look you in the eye,
You're just like an angel,
Your skin makes me cry,
You float like a feather,
In a beautiful world,
I wish I was special,
[Album version:] You're so fucking special.
[Clean version:] You're so very special.

Chorus

But I'm a creep, I'm a weirdo,
What the hell am I doing here?
I don't belong here.

I don't care if it hurts,
I want to have control,
I want a perfect body,

I want a perfect soul,
I want you to notice,
When I'm not around,
You're so fucking special,
I wish I was special.

Chorus

But I'm a creep, I'm a weirdo,
What the hell am I doing here?
I don't belong here.

Bridge

Oh, oh

She's running out again,
She's running out...
She run run run run...
Run...

Verse

Whatever makes you happy,
Whatever you want,
You're so fucking special,
I wish I was special...
But I'm a creep, I'm a weirdo,
What the hell am I doing here?
I don't belong here,
I don't belong here.

Devil's Archerist - Bethany Joy Lenz

Verse

This day probably tore me apart
and I didn't even know it
This day probably ate up my heart
and I got nothing to show for it
Why oh why is it so so easy to compromise?

Verse

This fog is like strawberry pie
but it keeps you keeping reaching
Here I am just watching me die,
just watching death a coming up a coming up
creeping
Why, why don't you start ca-a-lling me
ungrateful?

Chorus

Keep me away
I've got no will to fight
Keep me away
I'm running to the light
Cause I don't want to lose your way
with these devil, devil archerists

Verse

My soul here a million to one says
I didn't even see it
Looking up looking down at my soul
Looking everywhere but over where the help
was co-oming from
Why, why do I seem broke and stumbling
every time I get hit?

Chorus

Solo

Bridge

Keep me away
I've got no will to fight
Keep me away

Keep me away
I've got no will to fight

I don't want to lose your way, nooooo
No, I don't want to lose your way

Dansen op de vulkaan - De Dijk

je moet je het schompes werken
en je doet het maar waarvoor?
het kan elk moment gebeurd zijn
maar ze gaan nog even door
nog dichterbij de afgrond
nog dichterbij het vuur
en het wordt alleen maar
erger met het uur...

bommen voor de vrede
leugens om het geld
en wij moeten betalen
ook al had je niks besteld
waar halen ze de lef
en de gore moed vandaan
lief, trek iets moois aan
want we gaan

dansen dansen dansen
dansen op een vulkaan

dit is de grote vrijheid
je mag zeggen wat je denkt
niet dat het iets uitmaakt
met hoeveel je ook bent
ze doen toch wat ze willen
al moet de hele boel vergaan
lief, trek iets moois aan
want we gaan

dansen dansen dansen
dansen op de vulkaan

straks is het verboden
of te laat om nog te gaan
lief trek iets moois aan
want we gaan

dansen dansen dansen
dansen op de vulkaan
dansen dansen dansen dansen

De zon op - Diggy Dex

Wat is een leven zonder lied

Enkele akkoorden of een gekke melodie

Zo'n twintig jaar geleden had ik pen en een papier

Om gedachten van me af te schrijven als de enige manier

We leven voor de vorm als een vorm van therapie

Voor momenten die hebben gevangen in een beat

Ze vallen op hun plek als ik rap

Om de hoop te kunnen plaatsen vlak bij mijn verdriet

Hoe zou het zijn als ik dat niet had gehad

Hoe zou het zijn zonder krabbels op een blad

Ik volg de muziek, zodat we doorgaan

Op de route onderweg naar de kern van mijn hart

En als ik wist wat ik deed

Dan was ik allang verloren

Dus ik vraag: ga je mee

Vergeten we de tijd

En als ik wist wat ik deed

Dan was ik allang de weg kwijt

Dus ik vraag: ga je mee

Dan vergeten we de tijd

Ja, we dansen de zon op

't Is te laat om nog stil te staan

Ja, we dansen de zon op

Zodat het leven door kan gaan

Ja, we dansen de zon op

't Is te laat om nog stil te staan

Ja, we dansen de zon op

Zodat het leven door kan gaan

Door kan gaan, door kan gaan, door kan gaan,
door kan gaan

Door kan gaan, door kan gaan, door kan gaan,
door kan gaan

Twintig jaar later zit ik rustig op de kade

Te staren hoe de schepen varen

Zo'n honderd liedjes verder, de meeste voor mezelf

En een paar voor een ander, nog een shout naar Dré Hazes

Hoe zou het zijn als ik hier niet was geweest

Zonder woorden om te delen als een spiegel van de geest

Het leven is te mooi om niet te vieren

Maar zonder de muziek is maar een tiende van je feest

En als ik wist wat ik deed

Dan was ik allang de weg kwijt

Dus ik vraag: ga je mee

Dan vergeten we de tijd

Ja, we dansen de zon op

't Is te laat om nog stil te staan

Ja, we dansen de zon op

Zodat het leven door kan gaan

Ja, we dansen de zon op

't Is te laat om nog stil te staan

Ja, we dansen de zon op

Zodat het leven door kan gaan

En als ik wist wat ik deed

Dus ik vraag: ga je mee

Dan vergeten we de tijd

Ja, we dansen de zon op

't Is te laat om nog stil te staan

Ja, we dansen de zon op

Zodat het leven door kan gaan

Ja, we dansen de zon op

't Is te laat om nog stil te staan

Ja, we dansen de zon op

Zodat het leven door kan gaan

Ja, we dansen de zon op

't Is te laat om nog stil te staan

Ja, we dansen de zon op

Zodat het leven door kan gaan

Ja, we dansen de zon op (Door kan gaan, door kan gaan, door kan gaan, door kan gaan)

Ja, we dansen de zon op (Door kan gaan, door kan gaan, door kan gaan, door kan gaan)

Ja, we dansen de zon

Ja, we dansen de zon

Does your mother know - ABBA

You're so hot, teasing me
So, you're blue,
but I can't take a chance on a chick like you
That's something I couldn't do

There's that look in your eyes
I can read in your face
that your feelings are driving you wild
Ah, but girl, you're only a child

Well, I can dance with you,
honey, if you think it's funny
Does your mother know that you're out?
And I can chat with you, baby,
flirt a little maybe
Does your mother know that you're out?

Take it easy (take it easy)
Better slow down, girl
That's no way to go
Does your mother know?

Take it easy (take it easy)
Try to cool it, girl
Take it nice and slow
Does your mother know?

I can see what you want
But you seem pretty young to be searching
for that kind of fun
So maybe I'm not the one

Now you're so cute, I like your style
And I know what you mean when you give
me a flash of that smile (smile)
But girl, you're only a child

Well, I can dance with you, honey,
if you think it's funny
Does your mother know that you're out?
And I can chat with you, baby,
flirt a little maybe
Does your mother know that you're out?

Take it easy (take it easy)
Better slow down, girl
That's no way to go
Does your mother know?

Take it easy (take it easy)
Try to cool it, girl
Take it nice and slow
Does your mother know?

Well, I can dance with you, honey,
if you think it's funny
Does your mother know that you're out?
And I can chat with you, baby,
flirt a little maybe

Does your mother know that you're out? 3X

Down and Out - Eric Clapton

Verse

Once I lived a life of a millionaire,
Spend all my money, didn't have any care.
Took all my friends out
for a mighty good time,
We bought bootleg liquor,
champagne and wine.

Then I began to fall so low,
Lost all my good friend, and nowhere to go.
If I get my hands on a dollar again,
I'll hang on to it 'til that ol' eagle grins

Chorus

Because nobody knows you,
When you're down and out,
In your pocket not one penny,
And as for friends you don't have many.

When you get back on your feet again,
Everybody wants to be your long lost friend.
I said it's strange without any doubt,
Nobody knows you
when you're down and out.

(PIANO Solo)

Chorus

Lord, nobody loves you,
When you're down and out,
In your pocket not one penny,
And as for friends you don't have many.

When you get back on your feet again,
Everybody wants to be your long lost friend.
I said it's strange without any doubt,
Nobody knows you when you're down and
out.

Eye of the Tiger - Survivor

Verse 1

Risin' up, back on the street
Did my time, took my chances
Went the distance, now I'm back on my feet
Just a man and his will to survive

Verse 2

So many times, it happens too fast
You trade your passion for glory
Don't lose your grip on the dreams of the past
You must fight just to keep them alive

Risin' up to the challenge of our rival
And the last known survivor stalks his prey in the night
And he's watchin' us all with the eye of the tiger

Face to face, out in the heat
Hangin' tough, stayin' hungry
They stack the odds 'till we take to the street
For the kill with the skill to survive

Risin' up to the challenge of our rival

Flying Blind - Ilse de Lange

Verse

I don't know where I'm going,
it's an un chartered sky
I don't think I even really noticed,
what I'm feeling inside
Love is so uncertain,
you can say what's in store
This is deeper, farther, higher,
than I've been before

Chorus

I'm flying blind, wherever your love takes me
I'm letting go and I don't care if I fall
I'll close my eyes with you beside me,
I follow faith and let it
guide me
Tonight I'm leaving all my fears behind,
I'm flying blind.

Verse

I won't question tomorrow, it's a mystery to me
I just know what your touch in me does,
I know this is where I
wanna be
It's a risk worth taking,
I don't want to come down
Play my heart, got my cards on the table,
got my head up in the clouds

Chorus

I'm flying blind, wherever your love takes me
I'm letting go and I don't care if I fall
I'll close my eyes with you beside me,
I follow faith and let it
guide me
Tonight I'm leaving all my fears behind,
I'm flying blind.

Bridge

I'll close my eyes with you beside me,
I follow faith and let it
guide me
Tonight I'm leaving all my fears behind,
I'm flying blind.

I'm flying blind.

Groot Hart - De Dijk

Verse

Dokter, kunt u even komen
en breng uw beste medicijn.
Ik heb er nu al jaren last van,
ook al doet het niet echt pijn.
Maar ik val voor alle vrouwen,
alle vrouwen op dit bal.
Da's veel te veel om van te houden,
dokter dit is een spoedgeval!

Chorus

Ik heb een groot hart, dit hart is zo groot.
Het wordt nog mijn dood, dit hart is zo groot.
Ik heb een groot hart.

Verse

Neem een ochtend als vanochtend,
vroeg op en de zon die scheen.
Opgeruimd loop ik naar buiten,
ik zie een meisje, ik denk alleen.
Ik dacht dat ze naar me lachte,
dus vrolijk lach ik naar haar terug.
Maar die boom was haar vriend,
dokter komt u vlug.

Chorus

Ik heb een groot hart, dit hart is zo groot.
Het wordt nog mijn dood, dit hart is zo groot.
Ik heb een groot hart.

Verse

Dokter, straks is het weer lente,
als u begrijpt wat ik bedoel.
Al dat moois langs 's-Heren wegen,
dan geeft me dat gevoel.
Loop driemaal daags onder een auto,
ik stoot dagelijks 5 keer mijn kop.
Da's veel te veel om van te houden,
dokter weet u daar iets op?

Chorus: 3x

Ik heb een groot hart, dit hart is zo groot.
Het wordt nog mijn dood, dit hart is zo groot.
Ik heb een groot hart

Hallelujja - Lisa Loïis

Verse

I've heard there was a secret chord
That David played and it pleased the Lord
But you don't really care for music, do ya?
Well it goes like this
The fourth, the fifth, the minor fall,
the major lift
The baffled king composing Hallelujah

Chorus

Hallelujah, Hallelujah
Hallelujah, Hallelujah

Well, your faith was strong
but you needed proof
You saw her bathing on the roof
Her beauty in the moonlight overthrew ya
She tied you to the kitchen chair
She broke your throne and she cut your hair
And from your lips, she drew the Hallelujah

Chorus

Hallelujah, Hallelujah
Hallelujah, Hallelujah

Well baby I've been here before
I've seen this room and I've walked this floor
I used to live alone before I knew ya
And I've seen your flag on the marble arch
And love is not a vict'ry march
It's a cold and it's a broken Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah

Verse

Well, maybe there's a God above
But all I've ever learned from love
Was how to shoot somebody who outdrew ya
And it's not a cry that you hear at night
It's not somebody who's seen the light
It's a cold and it's a broken Hallelujah

Chorus

Hallelujah, Hallelujah
Hallelujah, Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah

Happy - Pharrell Williams

Verse 1

It might seem crazy what I'm 'bout to say
Sunshine she's here, you can take a break
I'm a hot air balloon that could go to space
With the air, like I don't care baby by the way

Refrein

Huh, because I'm happy
Clap along if you feel like a room without a roof
Because I'm happy
Clap along if you feel like happiness is the truth
Because I'm happy
Clap along if you know what happiness is to you
Because I'm happy
Clap along if you feel like that's what you wanna do

Verse 2

Here come bad news, talking this and that
(Yeah) Well, give me all you got, and don't hold it back
(Yeah) Well, I should probably warn you I'll be just fine
(Yeah) No offense to you, don't waste your time
Here's why

Refrein

Because I'm happy
Clap along if you feel like a room without a roof
Because I'm happy

Hey-ay, Hey-ay-AY-ay-ay, Hey-ay-AY-ay-ay
Your lipstick stains
on the front lobe of my left side brains
I knew I wouldn't for-get you
and so I went and let you blow my mind
Your sweet moonbeam
the smell of you in every single dream
I dream
I knew when we col-lided you're the one
I have de-cided who's one of my kind

Hey soul sister
ain't that mister mister on the radio stereo
The way you move aint fair you know
Hey soul sister
I don't want to miss a single thing you do

To-night Hey-ay,
Hey-ay-AY-ay-ay, Hey-ay-AY-ay-ay

Just in ti-i-i-ime

The way you move aint fair you know

Hey soul sister
I don't want to miss a single thing you do

To-night The way you can't cut a rug
Watching you's the only drug I need

You're so gangster I'm so thug
You're the only one I'm dreaming of you see
I can be myself now final-ly
In fact there's nothing I can't be
I want the world to see you be with me

Hey soul sister

The way you move aint fair you know

Werd al zwoeler en je zwaaide
Was het moeilijk om te merken
Dat ik de zoen die jij me toe blies
Niet meer meekreeg toen ik wegreed?

Holiday - Greenday

Say, hey!

Verse

Hear the sound of the falling rain
Coming down like an Armageddon flame
(Hey!)
The shame
The ones who died without a name

Hear the dogs howling out of key
To a hymn called "Faith and Misery" (Hey!)
And bleed, the company lost the war today

Chorus

I beg to dream and differ from the hollow lies
This is the dawning of the rest of our lives
On holiday

Verse

Hear the drum pounding out of time
Another protester has crossed the line (Hey!)
To find, the money's on the other side

Can I get another Amen? (Amen!)
There's a flag wrapped around a score of
men (Hey!)
A gag, a plastic bag on a monument

Chorus

I beg to dream and differ from the hollow lies
This is the dawning of the rest of our lives
On holiday

Zieg Heil to the president Gasman
Bombs away is your punishment
Pulverize the Eiffel towers
Who criticize your government
Bang bang goes the broken glass and
Kill all the fags that don't agree
Trials by fire, setting fire
Is not a way that's meant for me
Just cause (hey, hey, hey), just cause,
because we're outlaws yeah!

Chorus

I beg to dream and differ from the hollow lies
This is the dawning of the rest of our lives
I beg to dream and differ from the hollow lies
This is the dawning of the rest of our lives

This is our lives on holiday

Houten Hart - De Poema's

Verse

Mijn hart is niet van steen
Een geval van zuiver hout
Het was het beste dat ik vinden kon
Toen iemand wegging met het goud
Mijn hart is van het hardste hout
Maar het buigt nog als het moet
Maar niet te ver en rustig aan
Ik weet nog niet echt wat het doet

Chorus

Dit is mijn hart
Mijn houten hart
De dames voor u hebben het alvast
verzwaard
Dus wees maar lief
Het kan geen kwaad
En stelen lijkt me niet de moeite waard

Verse

Je kan er goed op laten lopen
Dan doet het niet zo'n pijn
Als toen ik het origineel nog had
Het gouden, goud maar klein
Dit hart, ik heb het pas gekocht
Bewust een tweedehands
Je blijft geen gouden kopen
Ook al had je wel de kans

Chorus

Dit is mijn hart
Mijn houten hart
De dames voor u hebben het alvast
verzwaard
Dus wees maar lief
Het kan geen kwaad

Chorus

Dit is mijn hart
Mijn houten hart
De dames voor u hebben het alvast
verzwaard
Dus wees maar lief
Het kan geen kwaad
En stelen lijkt me niet de moeite...

Bridge

Het voordeel van een houten hart
Je bent voorzichtiger met vuur
De splinters zijn voor anderen
Er hoeft geen slot op en is dus helemaal niet
duur

Mijn houten hart
Mijn houten hahart

Chorus

Dit is mijn hart
Mijn houten hart
De dames voor u hebben het alvast
verzwaard
Dus wees maar lief
Het kan geen kwaad (2x)

Dit is mijn hart
Mijn houten hart (4x)

I Don't want to be - Gavin Degraw

Verse

I don't need to be anything other
Than a prison guard's son
I don't need to be anything other
Than a specialist's son
I don't have to be anyone other
Than the birth of two souls in one
Part of where I'm going, is knowing where I'm
coming from

Chorus

I don't want to be
Anything other than what I've been trying to
be lately
All I have to do
Is think of me and I have peace of mind
I'm tired of looking 'round rooms
Wondering what I've got to do
Or who I'm supposed to be
I don't want to be anything other than me

Verse

I'm surrounded by liars everywhere I turn
I'm surrounded by imposters everywhere I
turn
I'm surrounded by identity crisis everywhere
I turn
Am I the only one who noticed?
I can't be the only one who's learned!

Chorus

Verse

Can I have everyone's attention please?
If you're not like this and that, you're gonna
have to leave
I came from the mountain
The crust of creation
My whole situation-made from clay to stone
And now I'm telling everybody

Chorus

I don't want to be [x4]

I follow rivers - Triggerfinger

Verse

Oh I beg you
Can I follow
Oh I ask you
Why not always
Be the ocean
Where unravel
Be my only,
Be the water where I'm wading
You're my river running high
Run deep run wild

Chorus

I, I follow
I follow you deep sea baby
I follow you
I, I follow you
I follow you dark boom honey
I follow you

He's a message
I'm the runner
He's the rebel
I'm the daughter
Waiting to follow you
You're my river running high,
Run deep run wild

I, I follow
I follow you deep sea baby
I follow you
I, I follow you
I follow you dark boom honey

I follow you

You're my river running high,
Run deep run wild

I, I follow
I follow you deep sea baby
I follow you
I, I follow you
I follow you dark boom honey
I follow you

Oh, I follow you
I follow you deep sea baby
I follow you

Oh I follow
I follow you dark boom honey
I follow you

I follow you
I follow you

I Will Survive - Gloria Gaynor

Verse

At first I was afraid, I was petrified,
Kept thinkin' I could never live
without you by my side,
But then I spent so many nights
thinkin' how you did me wrong,
And I grew strong,
and I learned how to get along,

Verse

And so you're back, from outer space,
I just walked in to find you here
with that Sad look upon your face
I should've changed that stupid lock,
I should've made you leave your key,
If I had known for just one second
you'd be back to bother me,

Verse

Oh now go, walk out the door,
Just turn around now,
cause you're not welcome anymore,
Weren't you the one
who tried to hurt me with goodbye,
Did you think I'd crumble,
did you think I'd lay down and die

Chorus

Oh no not I, I will survive,
Oh as long as I know how to love,
I know I'll stay alive,
I've got all my life to live;
I've got all my love to give,
I'll survive, I will survive, Hey, Hey!

Verse

It took all the strength I had not to fall apart,
Just trying hard to mend the pieces
of my broken heart,
And I spent oh so many nights
just feeling sorry for myself,
I used to cry, but now I hold my head up high,

Verse

And you see me, somebody new,
I'm not that stupid little person
who's still in love with you,
And so you felt like droppin' in
and just expect me to be free,
Now I'm savin' all my lovin'
for someone who's lovin' me

Verse

Oh now go, walk out the door,
Just turn around now,
cause you're not welcome anymore,
Weren't you the one
who tried to break me with goodbye,
Did ya think I'd crumble,
did ya think I'd lay down and die,

Chorus

Oh no not I, I will survive,
Oh as long as I know
how to love I know I'll stay alive,
I've got all my life to live,
I've got all my love to give,
I'll survive, I will survive. Ooooh

Verse

Oh now go, walk out the door
Just turn around now,
cause you're not welcome anymore
Weren't you the one
who tried to hurt me with desire,
Did you think I'd crumble,
did you think I'd lay down and die

Chorus

Oh no not I, I will survive
Oh as long as I know
how to love I know I'll stay alive
I've got all my life to live,
I've got all my love to give
I'll survive, I will survive I will survive

I Wish - Stevie Wonder

Verse

Looking back on when I
Was a little nappy headed boy
Then my only worry
Was for Christmas what would be my toy

Even though we sometimes
Would not get a thing
We were happy with the
Joy the day would bring

Sneaking out the back door
To hang out
with those hoodlum friends of mine
Greeted at the back door
With boy thought I told you not to go outside

Tryin' your best to bring the
Water to your eyes
Thinkin' it might stop her
From woopin' your behind

Chorus

I wish those days
could come back once more
Why did those days èv-èr have to go
I wish those days
could come back once more
Why did those days èv-èr have to go
Cause I love them so

Verse

Brother says he's tellin'
'Bout you playin' doctor with that girl
Just don't tell I'll give you
Anything you want in this whole wide world
Mama gives you money for Sunday school
You trade yours for candy after church is
through

Smokin' cigarettes and writing something
nasty on the wall (you nasty boy)
Teacher sends you
to the principal's office down the hall
You grow up
and learn that kinda thing ain't right
But while you were doing it-
it sure felt outta sight

Chorus

I wish those days
could come back once more
Why did those days èv-èr have to go
I wish those days
could come back once more
Why did those days èv-èr have to go (2x)

I Would Stay - Krezip

Verse

If this is true, I thought then, what will I think.
Will I stay but rather I would get away
I'm scared that I won't find a thing
And afraid that I'll turn out to be alone, but I

I have to learn, have to try, have to trust I
have to cry.
Have to see, have to know that I can be
myself, yeah.

Chorus

And if I could I would stay.
And if they're not, not in my way.
I'll stare here in the distance.
But I'll grow up to be just like you, yeah.
I'll grow up to be just like you, yeah.

Verse

I see it all I'm sure but.
Do I know what's right.
I thought I knew but it turns out the other way.
I am scared that I won't find a thing.
And afraid that I'll turn out to be alone, but I.

I have to learn, have to try, have to trust I
have to cry.
I have to see, have to know that I can be
myself.

Chorus

And if I could I would stay.
And if they're not not in my way.
I'll stare here in the distance.
But I'll grow up to be just like you, yeah.
I'll grow up to be just like you.

Bridge

I want to tell you.
Why would I try to.
You are all that I can see now.
Why would I try to.

And I want to tell you.
Why would I try to.
You are all I can see now.
I know I'll try to.

I have to learn, have to try, have to trust I
have to cry.
I have to see, have to know that I can be
myself.

Chorus

But if I could, yeah, I would stay.
And if they're not, not in my way.
I'll stare here in the distance.
But I'll grow up to be just like you, yeah.
I'll grow up to be just like you. - Like you.

I'm Outta Love - Anastacia

Verse

Now baby come on
Don't claim that love you never let me feel
I should have known
'Cause you've brought nothing real
Come on be a man about it - You won't die

I ain't got no more tears to cry
And I can't take this no more
You know I gotta let it go
And you know

I'm outta love
Set me free
And let me out this misery
Just show me the way to get my life again
'Cause you can't handle me
I said I'm outta love
Can't you see
Baby that you gotta set me free
I'm outta love - Yeah

Verse

Said how many times
Have I tried to turn this love around?
But every time
You just let me down
Come on be a man about it -
You'll survive
True that you can work it out all right
Tell me, yesterday
Did you know?
I'd be the one to let you go?
And you know

Let me get over you
The way you've gotten over me too, yeah
Seems like my time has come
And now I'm moving on
I'll be stronger (èl bî strongûr)

I'm outta love
Set me free
And let me out this misery
Just show me the way to get my life again

I'm outta love
Set me free
And let me out this misery
Just show me the way to get my life again
'Cause you can't handle me
I said I'm outta love
Can't you see
Baby that you gotta set me free
I'm outta love - Yeah

Yeah

I'm So Excited - Pointer Sisters

Tonight's the night
we're gonna make it happen,
Tonight we'll put all other things aside.
Give in this time
and show me some affection,
We're going for those pleasures in the night.

Wrap myself around you.
I want to squeeze you, please you,
I just can't get enough,
And if you move real slow,
I'll let it go

Chorus

I'm so excited,
And I just can't hide it,
I'm about to lose control
And I think I like it.

I'm so excited,
And I just can't hide it,
And I know, I know, I know, I know
I know I want you, want you

We shouldn't even think about tomorrow,
Sweet memories will last a long long time.
We'll have a good time baby don't you worry,
And if we're still playing around
boy that's just fine.

And I just can't hide it,
I'm about to lose control

I know I want you, want you

Ik Wil Jou - Polle Eduward

Verse

He Meta, meid, hebbie effe tijd
Zodat ik jou kan versieren
Ik zie je zitten en het lijkt jij mij ook
Wordt het geen tijd om dat te vieren

Er speelt vanavond in het buurthuis een band
Kom op dan gaan we daar nou dansen
't Is vrijdagavond en ik barst van de poen
Ik zal met niemand anders sjansen

Chorus

Ik wil jou, ja jou
Jou alleen
Ik wil jou, ja jou
Voor mij alleen

Verse

Wat denk je zullen we gaan zwemmen
Het lijkt me heerlijk in het water met jou
M'n hormonen zijn niet meer te temmen

Hier neem een vest
en droog je daar maar mee af
Laat mij maar, ik doe het wel zonder
Kom mee naar huis en je weet wel waarom
Ik brand haast af da's ook geen wonder

Chorus

Ik wil jou, ja jou
Voor mij alleen

Verse

Je ligt hier naast me,
waarom huil je nu meid
Ja ze noemen mij een ruige donder
Maar ik zie in jou meer
dan alleen een mooi lijf
Da's voor mezelf ook een wonder

Chorus (3x)

In The Shadows - The Rasmus

Verse

No sleep, no sleep until I am done
with finding the answer
Won't stop, won't stop
before I find a cure for this cancer
Sometimes, I feel like going down
and so disconnected
Somehow, I know that I am haunted
to be wanted

Chorus

I've been watching,
I've been waiting,
in the shadows
for my time
I've been searching,
I've been living, for tomorrows
all my life

Verse

They say,
that I must learn to kill before I can feel safe
But I, I'd rather kill myself
than turn into their slave
Sometimes, I feel that I should go
and play with the thunder
Somehow, I just don't wanna stay
and wait for a wonder

Chorus

I've been watching,
I've been waiting,
in the shadows
for my time
I've been searching,
I've been living, for tomorrows
all my life

Bridge

Lately I been walking walking in circles,
watching waiting for something
Feel me touch me heal me,
come take me higher

Chorus

I've been watching,
I've been waiting,
in the shadows
for my time
I've been searching,
I've been living, for tomorrows
all my life

Is She Really Going Out With Him? - Joe Jackson

Verse

Pretty woman are walking with gorilla's
in my street
From my window I'm staring
while my coffee grows cold
Look over there! Where? There!
There's a lady that I used to know
She's married now or engaged
or something, so I'm told

Chorus

Is she really going out with him
Is she really gonna take him home tonight
Is she really going out with him
'Cause if my eyes don't deceive me
There's something going wrong around here

Verse

Tonight's the night,
when I go to all the parties in my street
I wash my hair and I kid myself
I look real smooth
Look over there! Where? There!
There's Jeany with her new boyfriend
They say that looks don't count for much,
And so there goes your proof

Chorus / Bridge

But if looks could kill

There's a man who's more down as dead
'Cause I've had my fill, listen you!
Take your hands from my head
Now it gets all mean around the scene
Hey, hey, hey
Hey, hey, hey

Chorus

I've Got The Music In Me - Kiki Dee

Verse

Ain't got no trouble in my life
No foolish dreams to make me cry
I'm never frightened or worried
I know I'll always get by
I heat up, and cool down
When something gets in my way I go round it
Don't let life get me down
Gonna take life the way that I found it

Chorus

I've got the music in me,
I've got the music in me,
I've got the music in me,
I've got the music in me,
I've got the music in me,
I've got the music in me.

Verse

They say that life is a circle
But that ain't the way that I found it
Gotta move in a straight line
Keeping my feet firmly on the ground
I heat up, I cool down
I've got words in my head so I'll say them
Don't let life get me down
Catch a hold of my blues and just play them

Bridge

I've got the music in me,

Feel funky
Feel good
Gotta tell ya I'm in the neighbourhood
Gonna fly lik a bird on a wing,
Hold on to you're head hoey,
Sing sing sing sing

No foolish dreams to make me cry

Kryptonite - 3 Doors Down

to ease my troubled mind
I left my body lying somewhere
in the sands of time
But I watched the world float
to the dark side of the moon
I feel there is nothing I can do, yeah

You called me strong, you called me weak,

I picked you up
and put you back on solid ground

Chorus

If I go crazy
then will you still call me Superman
If I'm alive and well,
will you be there a-holding my hand
I'll keep you by my side
with my superhuman might ...Kryptonite

then will you still call me Superman
If I'm alive and well,

Like The Way I Do - Melissa Etheridge

Verse

Is it so hard to satisfy your senses?
you found out to love me you have to climb some fences
Scratching and crawling along the floor to touch you
and just when it feels right you say you found someone to
hold you. Does she like I do?

Chorus

Baby tell me does she love you like the way I love you?
Does she stimulate you, attract and captivate you?
Tell me does she miss you, existing just to kiss you
like the way I do?
Tell me does she want you, infatuate and haunt you?
Does she know just how to shock you, electrify and rock you?
Does she inject you, seduce you and affect you like the way I do?

Like the way I do?

Verse

Can I survive all the implications?
Even if I tried, could you be less than an addiction?
Don't you think I know there's so many others
who would beg steal and lie, fight kill and die
just to hold you, hold you like I do?

Chorus

Oh, nobody loves you like the way I do.
Nobody wants you like the way I do.
Nobody needs you like the way I do.
Nobody aches, nobody aches just to hold you
like the way I do no no no no...

Chorus

Like the way I do?

Listen To The Music - The Doobie Brothers

Verse

Don't you feel it growin'
day by day
People gettin' ready for the news
Some are happy, some are sad
Oh, we got to let the music play

It ain't so hard to do if you know how
Gotta get a message
Get it on through

Oh, oh, listen to the music
Oh, oh, listen to the music
All the time

Verse

Well I know, you know better Everything I say
Meet me in the country for a day
We'll be happy And we'll dance
Oh, we're gonna dance our blues away

There ain't nothin' we can't do or say
Feelin' good, feeling fine
Oh, baby, let the music play

Chorus

Surrounding castles in the sky
And the crowd is growing bigger
List'nin' for the happy sounds

And I got to let them fly

Little by Little - Lisa Loï's

Verse

I can see that you need me now
Like a flower reaching for the sunlight
Like a flame in the darkest night
I'm there,

Now you've fallen and you won't get up
Can't see that it'll all be alright
Can't stand another one way fight
I'm there

When you think
you've been left on your own all alone
I'll be there

Chorus

Little by little I'll break you down
Hurt you to help you
Little by little I'll turn you round
Got no where to hide
I was there when you built the walls
I'll be there when you bring 'em down
I'll break you down

Verse

It's ok that you have been let down
Everybody needs a shoulder sometimes
Everybody has a path to find
somewhere

You're living in your own disguise
Just leave it to the wind to guide you
Where will you go
Where will you go
Where will you go

When you think
you've been left on your own
All alone
I'll be there

Chorus

Little by little I'll break you down
Hurt you to help you
Little by little I'll turn you round
Got no where to hide
I was there when you built the walls
I'll be there when you bring 'em down
So bring it down

Bridge

We've been here before
The world will keep on turning
Around
The sky will never fall
And time will never end

Chorus

Little by little I'll break you down
Hurt you to help you
Little by little I'll turn you round
Got no where to hide
I was there when you built the walls
I'll be there when you bring 'em down
When you bring 'em down

Chorus

Little by little I'll break you down
Hurt you to help you
Little by little I'll turn you round

Got no where to hide
I was there when you built the walls
I'll be there when you bring 'em down

When you bring 'em down

Chorus

Little by little I'll break you down
Hurt you to help you
Little by little I'll turn you round
Got no where to hide
I was there when you built the walls
I'll be there when you bring 'em down

I'll break you down...

Long Train Running - Doobie Brothers

Down around the corner, half a mile from here
See them long trains run,
and you watch them disappear
Without love, where would you be now
Without lo-o-o-ove

You know I saw miss Lucy down along the tracks
She lost her home and her family
and she won't be coming back
Without love, where would you be right now
Without lo-o-o-ove

Well the Illinois Central
And the Southern Central Freight
Got to keep on pushin' mama
You know they're running late
Without love, where would you be now
Without lo-o-o-ve

Well the Illinois Central
And the Southern Central Freight
Got to keep on pushin' mama
You know they're running late
Without love, where would you be now
Without lo-o-o-ve

Well the pistons keep on turning
And the wheels go round and round
The steel rails are cold and hard
For the miles that they go down

Without love, where would you be right now
Without lo-o-o-ve ooh
Where would you be now

Mmm, got to get you, baby baby, won't you move it down?
Won't you move it down?
Baby, baby, baby, baby, won't you move it down?
When the big train run
When the train is movin' on I got to keep on movin'
Keep on movin'
Won't you keep on movin'?'
Gonna keep on movin'

Love Never Felt So Good - Michael & Justin

Ah, dancin'
Let me see you move, come on
Dancin'
Let me see you move

[Michael Jackson]

Baby, love never felt so good
And I doubt if it ever could
Not like you hold me, hold me

Oh baby, love never felt so fine
And I doubt if it's never mine
Not like you hold me, hold me

And the night is gonna be just fine
Gotta fly, gotta see, can't believe
I can't take it

'Cause baby, every time I love you
In and out of my life, in and out baby
Tell me, if you really love me
It's in and out of my life, drivin' me crazy
So baby, yes, love never felt so good

[Justin Timberlake]

Baby, love never felt so fine
And I die if it was ever mine
Not like you hold me, hold me

Oh baby, love never felt so good
And I doubt if it ever could
Not like you hold me, hold me

And the night through the thick and thin
Gotta fly, gotta see, can't believe

I can't take it cause

[Michael Jackson & Justin Timberlake]

'Cause baby, every time I love you
In and out of my life, in and out baby
Tell me, if you really love me
It's in and out of my life, drivin' me crazy
So baby, yes, love never felt so good

[Justin Timberlake]

Dancin'
Let me see you move, come on
Let me see you move

Dancin'
Let me see you move, come on
I said let me see you move
Michael

[Michael Jackson]

And the night, that is good
Gotta fly, gotta see, can't believe
I can't take it

'Cause baby, every time I love you
In and out of my life, in and out baby
Tell me, if you really love me
It's in and out of my life, drivin' me crazy
So baby, yes, love never felt so good

'Cause baby, every time I love you
In and out of my life, in and out baby
Tell me, if you really love me
It's in and out of my life, drivin' me crazy
So baby, yes, love never felt so good

Felt so good

Never felt so good
Oh no, it never felt so good
Never felt so good, yeah yeah
It never felt so good, uh uh

Losing My Religion - R.E.M.

Verse

Oh life is bigger, it's bigger than you.
And you are not me,
the lengths that I will go to.
The distance in your eyes.
Oh no, I've said too much, I set it up

That's me in the corner,
that's me in the spot light,
Losing my religion.
Trying to keep up with you.
And I don't know if I can do it.
Oh no, I've said too much,
I haven't said enough.

Chorus

I thought that I heard you laughing.
I thought that I heard you sing.
I think I thought I saw you try.
Every whisper,
Every waking hour,
I'm choosing my confessions.
Trying to keep eye on you
Like a hurt lost and blinded fool, fool.
Oh no, I've said too much. I set it up

Verse

Consider this, consider this
the hint of the century.
Consider this, the slip,
that brought me to my knees pale.
What if all these fantasies
come flailing around
Now I've said too much.

Chorus

I thought that I heard you laughing,
I thought that I heard you sing.
I think I thought I saw you try

Bridge

That was just a dream
That was just a dream.
That's me in the corner.
That's me in the spot light,
losing my religion.
Trying to keep up with you.
And I don't know if I can do it.
Oh no, I've said too much.
I haven't said enough.

Chorus

I thought that I heard you laughing,
I thought that I heard you sing.
I think I thought I saw you try.
But that was just a dream, try, cry, why try.
That was just a dream,
just a dream, just a dream, dream.

Love Song - Sara Bareilles

Verse

Head under water and they tell me
To breathe easy for awhile
The breathing gets harder, even I know that

Made room for me, it's too soon to see,
if I'm happy in your hands
I'm unusually hard to hold on to

Blank stares at blank pages
No easy way to say this
You mean well
But you make this hard on me

Chorus

I'm not gonna write you a love song
'Cause you ask for it
'Cause you need one, you see
I'm not gonna write you a love song
'Cause you tell me it's make or breaking this
If you're on your way

I'm not gonna write you to stay
All you have is leaving
I'm gon' need a better reason
To write you a love song today, today

I learned the hard way that they all say,
things you wanna hear
My heavy heart sinks deep down under

You and your twisted words
Your help just hurts
You are not what I thought you were
Hello to high and dry

Convinced me to please you
Made me think that I need this too
I'm trying to let you hear me as I am

Chorus

Promise me you'll leave the light on
To help me see daylight, my guide, gone
'Cause I believe there's a way
You can love me because I say

I won't write you a love song
'Cause you ask for it
'Cause you need one, you see

I'm not gonna write you a love song
'Cause you tell me it's make or breaking this

Is that why you wanted a love song?
'Cause you asked for it
'Cause you need one, you see

I'm not gonna write you a love song
'Cause you tell me it's make or breaking this
If you're on your way

I'm not gonna write you to stay
If your heart is nowhere in it
I don't want it for a minute

Babe, I'll walk the seven seas
When I believe that there's a reason
To write you a love song today, today

Mag ik dan bij jou? - Claudia de Breij

Als de oorlog komt,
En als ik dan moet schuilen,
Mag ik dan bij jou?
Als er een clubje komt,
Waar ik niet bij wil horen,
Mag ik dan bij jou?
Als er een regel komt
Waar ik niet aan voldoen kan
Mag ik dan bij jou?
En als ik iets moet zijn,
Wat ik nooit geweest ben,
Mag ik dan bij jou?

Mag ik dan bij jou schuilen,
Als het nergens anders kan?
En als ik moet huilen,
Droog jij m'n tranen dan?
Want als ik bij jou mag,
Mag jij altijd bij mij.
Kom wanneer je wilt,
Ik hou een kamer voor je vrij.

Als het onweer komt,
En als ik dan bang ben,
Mag ik dan bij jou?
Als de avond valt,
En 't is mij te donker,
Mag ik dan bij jou?
Als de lente komt,
En als ik dan verliefd ben
Mag ik dan bij jou?
Als de liefde komt,
En ik weet het zeker,
Mag ik dan bij jou?

Mag ik dan bij jou schuilen,
Als het nergens anders kan?
En als ik moet huilen,
Droog jij m'n tranen dan?
Want als ik bij jou mag,
Mag jij altijd bij mij.
Kom wanneer je wilt,
Ik hou een kamer voor je vrij

Mag ik dan bij jou schuilen,
Als het nergens anders kan?
En als ik moet huilen
Droog jij m'n tranen dan?
Want als ik bij jou mag,
Mag jij altijd bij mij
Kom wanneer je wilt,
'k hou een kamer voor je vrij.

Als het einde komt,
En als ik dan bang ben,
Mag ik dan bij jou?
Als het einde komt,
En als ik dan alleen ben,
Mag ik dan bij jou?

Michel - Anouk

Verse

Hey Michel how's life, are you ok
I wonder if you ever think of me
It's been 9 years since that kiss
I can help but reminisce
Hey Michel do you remember

We walked the street to the beat
Hand in hand you and me
Smiling faces so in love
Hoping that they all could see
That we belonged together
You and me against the world
But we found out the hard way
'cause it wasn't meant to be

Now it's you and her I see

Verse

You were my first and worst love
And so it only could go wrong
But ain't that just the way you learn
Hey Michel I just wanted to let you know
That someone else has stolen my heart
And now another girl has caught your eye
That doesn't mean I don't think of you oh no
I am just hoping that she'll treat you right

Do you remember
How we walked the street to the beat
Hand in hand you and me
Smiling faces so in love
Hoping that they all could see
That we belonged together
you and me against the world
But we found out the hard way
'cause it wasn't meant to be

Now it is you and her I see,
it was just a silly dream

Hey Michel do you remember

Moondance - Van Morrison

Verse

Well it's a marvelous night for a moondance
With the stars up above in your eyes
A fantabulous night to make romance
'Neath the cover of October skies

And all the leaves on the trees are falling
To the sound of the breezes that blow
And I'm trying to please to the calling
Of your heart-strings that play soft and low

Chorus

You know the night's magic
seems to whisper and hush
And all the soft moonlight
seems to shine in your blush
Can I just have one a' more moondance
with you, my love?
Can I just make some more romance
with a' you, my love?

Verse

Well I wanna make love to you tonight
I can't wait till the morning has come
And I know now the time is just right
And straight into my arms you will run

And when you come my heart will be waiting
To make sure that you're never alone
There and then all my dreams
will come true dear
There and then I will make you my own

And every time I touch you,
you just tremble inside
And I know how much you want me that,
you can't hide
Can I just have one a' more moondance
with you, my love?
Can I just make some more romance
with a' you, my love?

Repeat Verse 1

Repeat Chorus

One more moondance with you in the
moonlight on a magic night
There's a moonlight on a magic night
Can't I just have one more dance
with you my love?

My Life Would Suck Without You - Kelly Clarkson

Verse

Guess this means you're sorry
You're standing at my door
Guess this means you take back
All you said before
Like how much you wanted
Anyone but me
Said you'd never come back
But here you are again

Chorus:

Cause we belong together now, yeah
Forever united here somehow, yeah
You got a piece of me, and honestly
My life would suck without you

Maybe I was stupid for telling you goodbye
Maybe I was wrong for tryin' to pick a fight
I know that I've got issues
But you're pretty messed up too
Eitherway, I found out I'm nothing without you

Chorus

Being with you is so dysfunctional
I really shouldn't miss you,
but I can't let you go
Oh yeah

Chorus

Cause we belong together now, yeah
Forever united and here somehow, yeah
You got a piece of me
And honestly
My life would suck without you

Oceaan - Raccoon

Verse

Er is verrekte veel te zeggen
En te liegen nog veel meer
Heel veel bagger bloot te leggen
Al doet het graven nog zo'n zeer
Ik ben een eikel maar ik leer

Refrein

Een oceaan om in te vluchten
Nooit jaloers te hoeven zijn
Liefde om je hart te luchten
Een oceaan
Hoe lekker zou het zijn

Verse 2

Was er iets waar ik om wenste
Voordat de put droog kwam te staan
Dan was het lang zullen ze leven
Familie waar ik veel van hou
En voor wie ik sterven zou

Refrein

Een oceaan om in te schuilen
Nooit alleen meer hoeven zijn
Ik heb gesmeekt niet meer te huilen
Alsjeblieft

Verse 3

Het leven jaagt geen angst meer aan
Ik heb al zo ver moeten kruipen
Het laatste stuk zal ook wel gaan
Tot ik ga staan

Refrein

Een oceaan om in te vluchten
Nooit jaloers te hoeven zijn
Liefde om je hart te luchten
Een oceaan
Alleen van mij

Een oceaan om te verzuipen
Een dag of wat een held te zijn
Laat die ander nu maar kruipen
Een oceaan
Vol tranen is van mij
Alleen van mij

One - U2

Verse

Is it getting better
Or do you feel the same
Will it make it easier on you
Now you got someone to blame

Chorus

You say
One love, one life
When it's one need in the night
It's one love we get to share it
It leaves you baby if you don't care for it

Verse

Did I disappoint you
Or leave a bad taste in your mouth
You act like you never had love
And you want me to go without

(Chorus riff)

Well it's too late tonight
To drag the past out into the light
We're one, but we're not the same
We get to carry each other, carry each other
One

Solo

Verse

Have you come here for forgiveness?
Have you come to raise the dead?
Have you come here to play Jesus
To the lepers in your head?

Did I ask too much, more than a lot
You gave me nothing, now it's all I got
We're one, but we're not the same
We hurt each other then we do it again

Bridge

You say
Love is a temple, Love a higher law
Love is a temple, Love the higher law
You ask me to enter,
but then you make me crawl
And I can't be holding on to what you got
When all you got is hurt

Chorus

One love, one blood
One life, you got to do what you should
One life with each other
Sisters, brothers
One life, but we're not the same
We get to carry each other, carry each other
One. One.

Perfect - Ed Sheeran

Verse

I found a love for me
Darling just dive right in
And follow my lead
Well I found a girl beautiful and sweet
I never knew you were the someone waiting for me
'Cause we were just kids when we fell in love

Not knowing what it was
I will not give you up this time
But darling, just kiss me slow, your heart is all I own
And in your eyes you're holding mine

Refrein

Baby, I'm dancing in the dark with you between my arms
Barefoot on the grass, listening to our favorite song
When you said you looked a mess, I whispered underneath my
breath
But you heard it, darling, you look perfect tonight

Verse 2

Well I found a woman, stronger than anyone I know
She shares my dreams, I hope that someday I'll share her home
I found a love, to carry more than just my secrets
To carry love, to carry children of our own
We are still kids, but we're so in love
Fighting against all odds
I know we'll be alright this time
Darling, just hold my hand
Be my girl, I'll be your man
I see my future in your eyes

Refrein

Baby, I'm dancing in the dark, with you between my arms
Barefoot on the grass, listening to our favorite song
When I saw you in that dress, looking so beautiful
I don't deserve this, darling, you look perfect tonight

Refrein

Baby, I'm dancing in the dark, with you between my arms
Barefoot on the grass, listening to our favorite song
I have faith in what I see
Now I know I have met an angel in person
And she looks perfect
I don't deserve this
You look perfect tonight

Price Tag - Jessie J.

Verse

Seems like everybody's got a price,
I wonder how they sleep at night.
When the sale comes first,
And the truth comes second.
Just stop, for a minute and ... Smile

Why is everybody so serious?
Acting so damn mysterious
You got shades on your eyes
And your heels so high
That you can't even have a good time

Everybody look to their left (yeah)
Everybody look to their right (ha)
Can you feel that (yeah)
We're paying with love tonight.

Chorus

It's not about the money, money, money,
We don't need you money, money, money.
We just wanna make the world dance,
Forget about the Price Tag.

Ain't about (uh) Cha-Ching-Cha-Ching.
Ain't about the (yeah) Ba-Bling-Ba-Bling.
Wanna make the world dance,
Forget about the Price Tag.

Verse

We need to take it back in time,
When music made us all unite.
And it wasn't low blows and video hoes,
Am I the only one gettin'... tired?

Why is everybody so obsessed?
Money can't buy us happiness
Can we all slow down and enjoy right now
Guarantee we'll be feeling alright.

Everybody look to their left (yeah)
Everybody look to their right (ha)
Can you feel that (yeah)
We're paying with love tonight.

Chorus 3x

ah ah ah ah

Promise Me - Beverly Craven

You light up another cigarette
And I pour the wine
It's four o'clock in the morning
And it's starting to get light
Now I'm right where I want to be
Losing track of time
But I wish that it was still last night
You look like you're in another world
But I can read your mind
How can you be so far away lying by my side?

When I go away I'll miss you
And I will be thinking of you
Every night and day just
Promise me you'll wait for me
'Cause I'll be saving all my love for you
And I will be home soon
Promise me you'll wait for me
I need to know you feel the same way, too
And I'll be home, I'll be home soon

When I go away I'll miss you
And I will be thinking of you
Every night and day just

Promise me you'll wait for me
'Cause I'll be saving all my love for you
And I will be home soon

Promise me you'll wait for me
I need to know you feel the same way, too
And I'll be home, I'll be home soon

Promise me you'll wait for me
'Cause I'll be saving all my love for you
And I will be home soon
Promise me you'll wait for me
I need to know you feel the same way, too
And I'll be home, I'll be home soon

Pure Liefde, Echte Liefde - De Dijk

Verse

kijk haar lopen over straat
de melkboer zet zijn flessen neer
de zon breekt door
geclaxonneer
ze maakt wat los in het verkeer
kijk haar lopen over straat
banden piepen krakend blik
mannen vloeken
spoedig valt de eerste tik
zo als ze dan de hoek omgaat
want om de hoek woon ik

Chorus

ze weet wat ze wil
ze wil ze wil ze wil

pure liefde echte liefde
ze wil swingen op het lied
pure liefde echte liefde
anders niet

Verse

kijk haar lopen over straat
dat is allemaal van mij
alleen van mij
mannen stonden in de rij
alle groten van het land
kwamen dingen naar haar hand
maar wat moet ze met
die mooie praat
van een of andere pik
zij heeft zo haar eigen kick
want om de hoek woon ik

Chorus

en ze weet wat ze wil
en bij wie ze het kan komen halen
ze wil ze wil ze wil

pure liefde echte liefde
ze wil swingen op het lied
pure liefde echte liefde
anders niet

Second change - Shinedown

My eyes are open wide
And by the way,
I made it through the day
I watched the world outside
By the way,
I'm leaving out today

I just saw Halley's comet
She waved
Said, "Why you always running in place?"
Even the man in the moon disappeared
Somewhere in the stratosphere

Chorus

Tell my mother,
Tell my father
I've done the best I can
To make them realize
This is my life
I hope they understand
I'm not angry, I'm just saying...
Sometimes goodbye is a second chance

Please don't cry one tear for me
I'm not afraid
Of what I have to say
This is my one and only voice
So listen close,
It's only for today

I just saw Halley's comet
She waved
Said, "Why you always running in place?"
Even the man in the moon disappeared
Somewhere in the stratosphere

Chorus

Tell my mother,
Tell my father
I've done the best I can
To make them realize
This is my life
I hope they understand
I'm not angry, I'm just saying...
Sometimes goodbye is a second chance

Here's my chance
This is my chance

Tell my mother,
Tell my father
I've done the best I can
To make them realize
This is my life
I hope they understand
I'm not angry, I'm just saying...
Sometimes goodbye is a second chance

[2x]

Sometimes goodbye is a second chance

Sexy Als Ik Dans - Nielson

Verse

Oeh, yeah Ah, yeah
Oe, sexy als ik dans
Mm,mm Yeah

Ah, weet je wat het is
Ik heb geen goeie moves
Maar zie je niet dat ik
Precies weet wat ik doe
En ze kan het niet laten, nee
Ze kan het niet laten, yeah, yeah

Weet je wat het is
Zij komt naar me toe
Ze vraagt me: ga je lekker
Wat ben je nou aan 't doen
En ik kan het niet laten, nee
Ik kan het niet laten

Ik zeg: weet je wat het is, baby

Chorus:

Ik voel me sexy als ik dans
Oh, oh, oh, oh, oh
Yeah Oh, oh, oh
Sexy als ik dans
Eh, eh, eh

Ik voel me sexy als ik dans
Eh, eh, eh

Oeh, weet je wat het is
Ik heb ze al gehoord
Al die goeie tips
Maar ze, maar ze werkte nooit
En toch kan je het niet laten, nee
Je kan het niet laten
Ah, yeah

Ergens in haar blik
Zie ik dat er iets
A, iets veranderd is
En ik geloof m'n ogen niet

Bridge

Ze kan het niet laten
Ze springt op de tafel
Daar gaat ze
Daar gaat ze
Ze kan het niet laten
Ze springt op de tafel
Daar gaat ze
Yeah

Ze zegt: weet je wat het is baby

Chorus

Chorus 2

Als ik dans
Steek ik m'n hand op
Gaan m'n voeten zomaar
de verkeerde kant op
Als jij danst
Gooi jij je haar los
Swingen je heupen zo lekker
dat het een gevaar wordt
Als ik dans
Steek ik m'n hand op
Gaan m'n voeten zomaar
de verkeerde kant op
Als jij danst
Gooi jij je haar los
Swingen je heupen zo lekker
dat het een gevaar wordt

Ik zeg: weet je wat het is baby

Shape of you - Ed Sheeran

[Verse 1]

The club isn't the best place to find a lover
So the bar is where I go
Me and my friends at the table doing shots
Drinking fast and then we talk slow
And you come over and start up a
conversation with just me
And trust me I'll give it a chance now
Take my hand, stop,
put Van the Man on the jukebox
And then we start to dance,
and now I'm singing like

[Pre-Chorus]

Girl, you know I want your love
Your love was handmade
for somebody like me
Come on now, follow my lead
I may be crazy, don't mind me
Say, boy, let's not talk too much
Grab on my waist and put that body on me
Come on now, follow my lead
Come, come on now, follow my lead

[Chorus]

I'm in love with the shape of you
We push and pull like a magnet do
Although my heart is falling too
I'm in love with your body
And last night you were in my room
And now my bedsheets smell like you
Every day discovering something brand new
I'm in love with your body

Oh—I—oh—I—oh—I—oh—I
I'm in love with your body
Oh—I—oh—I—oh—I—oh—I
I'm in love with your body
Oh—I—oh—I—oh—I—oh—I
I'm in love with your body
Every day discovering something brand new
I'm in love with the shape of you

[Verse 2]

One week in we let the story begin
We're going out on our first date
You and me are thrifty, so go all you can eat
Fill up your bag and I fill up a plate
We talk for hours and hours
about the sweet and the sour
And how your family is doing okay
Leave and get in a taxi,
then kiss in the backseat
Tell the driver make the radio play,
and I'm singing like

[Pre-Chorus]

[Chorus]

[Bridge]

Come on, be my baby, come on
Come on, be my baby, come on
Come on, be my baby, come on
Come on, be my baby, come on
Come on, be my baby, come on
Come on, be my baby, come on
Come on, be my baby, come on
Come on, be my baby, come on

[Chorus]

I'm in love with the shape of you
We push and pull like a magnet do
Although my heart is falling too
I'm in love with your body
Last night you were in my room
And now my bedsheets smell like you
Every day discovering something brand new
I'm in love with your body
Come on, be my baby, come on
Come on, be my baby, come on
I'm in love with your body
Come on, be my baby, come on
Come on, be my baby, come on
I'm in love with your body
Come on, be my baby, come on
Come on, be my baby, come on
I'm in love with your body
Every day discovering something brand new
I'm in love with the shape of you

Stay with me - Rod Stewart

In the morning
Don't say you love me
'Cause I'll only kick you out of the door

I know your name is Rita
'Cause your perfume smelling sweeter
Since when I saw you down on the floor
guitar

Won't need to much persuading
I don't mean to sound degrading
But with a face like that
You got nothing to laugh about

Red lips hair and fingernails
I hear your a mean old Jezebel
Lets go up stairs and read my tarot cards

Stay with me
Stay with me
For tonight you better stay with me

Stay with me
Stay with me
For tonight you better stay with me

So in the morning
Please don't say you love me
'Cause you know I'll only kick you out the
door

Yea I'll pay your cab fare home
You can even use my best cologne
Just don't be here in the morning when I
wake up

Stay with me
Stay with me
'Cause tonight you better stay with me
Sit down, get up, get down

Stay with me
Stay with me
Cause tonight your going stay with me
Hey, whats your name again
Oh no, get down

Stil In Mij - Van Dik Hout

Verse

Kom bij me zitten,
sla je arm om me heen
en houd me stevig vast.
Al die gezichten
bekend maar beleefd of ik een vreemde was.
Vanavond toont het leven zijn ware gezicht.

Kom bij me liggen,
sla je lijf om me heen
ik heb het koud gehad.
We moeten winnen,
de schijn is gemeen,
het wordt van ons verwacht.
Vanavond toont de liefde haar ware gezicht.

Chorus

En het is zo stil in mij,
ik heb nergens woorden voor
Het is zo stil in mij
en de wereld draait maar door
Het is zo stil in mij,
ik heb nergens woorden voor
Het is zo stil in mij.

Verse

Kom bij me zitten,
sla je arm om me heen
en houd me stevig vast.
Al die gezichten
en jij alleen zoals je gister was.
Vanavond toonde jij je ware gezicht.

Kom bij me liggen,
sla je lijf om me heen
ik heb het koud gehad.
Je hoeft niets meer te zeggen,
de waarheid spreekt al uit ons oogcontact.
En vanavond tonen wij ons ware gezicht.

Chorus

En het is zo stil in mij,
ik heb nergens woorden voor
Het is zo stil in mij
en de wereld draait maar door
Het is zo stil in mij,
ik heb nergens woorden voor
Het is zo stil in mij.

Iedereen kijkt,
maar niemand zegt wat hij denkt
Iedereen lijkt,
maar niemand is wie je denkt.

Stil in mij
zo stil in mij
zo stil
in mij,
zo stil
in mij,
zo stil
in mij,
zo stil
in mij,

Summer of '69 - Bryan Adams

Verse

I got my first real six-string,
bought it at the five-and-dime
Played it till my fingers bled,
it was the summer of '69

Me and some guys from school,
had a band and we tried real hard
Jimmy quit and Jody got married,
I shoulda known we'd never get far

Oh when I look back now,
that summer seemed to last forever
And if I had the choice,
Ya, I'd always wanna be there
Those were the best days of my

Verse

Ain't no use in complainin',
when you got a job to do
Spent my evenin's down at the drive-in,
and that's when I met you. Yeah.

Standin' on your mama's porch,
you told me that you'd wait forever
Oh and when you held my hand,
I knew that it was now or never
Those were the best days of my

Chorus

Oh yeah.
Back in the summer of six ty nine. Oh.

Bridge

Man we were killin' time,
we were young and restless
we needed to unwind,
I guess nothin' can last forever
forever. No!

Verse

And now the times are changin',
look at everything that's come and gone
Sometimes when I play that old six-string,
I think about ya wonder what went wrong

Standin' on....

Chorus

Oh yeah.
Back in the summer of six ty nine.
Uh huh.
It was the summer of six ty nine.
Oh yeah.
Me and my baby in six ty nine
Oh whoa!
It was the summer,
the summer of six ty nine.
Yeah. Come on.
Yeah.

Suzanne - VOF de Kunst

We zitten samen in de kamer

Ik leg mijn arm om haar schouders
streef haar zachtjes door haar haar

aan de andere kant van de lijn
verontschuldigd zich
voor verkeerd verbonden zijn
en ik denk bij mijzelf,
waarom nu, waarom ik, waarom

Suzanne.....Suzanne.....Suzanne
ik ben stapelgek op jou

Ik ga maar weer opnieuw beginnen
zoen haar teder in haar nek

ze vraagt of er nog cola is

ik ben stapelgek op jou

The Joker - Steve Miller Band

Some people call me the space cowboy yeah
Some call me the gangster of love
Some people call me Maurice
Cause' I speak of the pompous of love

People talk about me baby
Say I'm doin' you wrong, doin' you wrong
But don't you worry baby don't worry
Cause' I'm right here at home

Cause' I'm a picker
I'm a grinner
I'm a lover
And I'm a sinner
playin' my music in the sun
I'm a joker
I'm a smoker
I'm a mid-night toker
I get my lovin' on the run
Ooh, ooh, ooh, ooh

You're the cutest thing that I ever did see
I really love your peaches
Want to shake your tree
Lovey dovey, lovey dovey,
lovey dovey all the time
Ooh wee baby, I sure show you a good time

Cause' I'm a picker
I'm a grinner
I'm a lover
And I'm a sinner
playin' my music in the sun
I'm a joker
I'm a smoker
I'm a mid-night toker
I sure don't want to hurt no one
(solo)

Ooh, ooh, ooh, ooh

People keep talkin' about me baby
Say I'm doin' you wrong
Well don't you worry,
don't worry, no don't worry mama
Cause' I'm right here at home
You're the cutest thing I ever did see
Really love your peaches
want to shake your tree
Lovey dovey, lovey dovey,
lovey dovey all the time
Come on baby now,
I'll show you a good time

This Is The Life - Amy McDonald

Verse

Oh the wind whistles down
the cold dark street tonight
And the people they were dancing
to the music vibe
And the boys chase the girls,
with the curls in their hair
While the shy tormented youth
sit way over there
And the songs they get louder
each one better than before

Chorus:

And you're singing the songs
thinking this is the life
And you wake up in the morning
and your head feels twice the size
where you gonna go,
where you gonna go,
where you gonna sleep tonight?

Verse

And you're singing the songs
thinking this is the life
And you wake up in the morning
and your head feels twice the size
Where you gonna go,
where you gonna go,
where you gonna sleep tonight?
Where you gonna sleep tonight

Verse

So you're heading down the road
in your taxi for four
And you're waiting outside Jimmy's front door
But nobody's in and nobody's home 'till four
So you're sitting there with nothing to do
Talking about Robert Rigger
and his motley crew
And where you gonna go
and where you gonna sleep tonight?

Chorus:

And you're singing the songs
thinking this is the life
And you wake up in the morning
and your head feels twice the size
where you gonna go,
where you gonna go,
where you gonna sleep tonight?

And you're singing the songs
thinking this is the life
And you wake up in the morning
and your head feels twice the size
Where you gonna go,
where you gonna go,
where you gonna sleep tonight?
Where you gonna sleep tonight

This Love - Maroon 5

Verse

I was so high I did not recognize
The fire burning in her eyes
The chaos that controlled my mind
Whispered goodbye and she got on a plane
Never to return again
But always in my heart

Chorus:

This love has taken its toll on me
She said goodbye too many times before
And her heart is breaking in front of me
I have no choice, cause I won't say goodbye
anymore

Verse

I tried my best to feed her appetite
Keep her coming every night
So hard to keep her satisfied
Kept playing love like it was just a game
Pretending to feel the same
Then turn around and leave again

Chorus

Bridge

I'll fix these broken things
Repair your broken wings
And make sure everything's alright
My pressure on your hips
Sinking my fingertips
Into every inch of you
Cause I know that's what you want me to do

Chorus 4 x

Twilight Zone - Golden Earring

Verse

It's 2 a.m.,
The fear has gone.
I'm sitting here waiting
the gun still warm
Maybe my connection
is tired of taking chances.
Yeah, there's a storm on the loose,
sirens in my head
wrapped up in silence
all circuits are dead
You Cannot decode
my whole life spins into a frenzy

Chrous:

Help, I'm stepping into the twilight zone
place is a madhouse
feels like being cloned.
My beacon's been moved
under moon and star
Where am I to go
now that I've gone too far yeah
Help, I'm stepping into the twilight zone
place is a madhouse
feels like being cloned
my beacon's been moved
under moon and star
Where am I to go new
that I've gone too far
Soon you'll come to know
When the bullet hits the bone
Soon you'll come to know
When the bullet hits the bone

Verse

I'm falling down a spiral
destination unknown
Double crossed messenger
all alone
Can't get no connection,
can't get through where are you
Well the night weights heavy
in his guilty mind
This far from the border line
and when Hitman comes
He knows damn well
he has been cheated and he says

Chorus

When the bullet hits the bone

Solo

Chorus

Soon you'll come to know
When the bullet hits the bone
Soon you'll come to know
When the bullet hits the bone
Soon you'll come to know
When the bullet hits the bone

Unstoppable - Sia

All smiles, I know what it takes to fool this town
I'll do it 'til the sun goes down and all through the night time
Oh yeah, oh yeah, I'll tell you what you wanna hear
Leave my sunglasses on while I shed a tear
It's never the right time, yeah, yeah

I put my armor on, show you how strong how I am
I put my armor on, I'll show you that I am

I'm unstoppable
I'm a Porsche with no brakes
I'm invincible
Yeah, I win every single game
I'm so powerful
I don't need batteries to play
I'm so confident, yeah, I'm unstoppable today
Unstoppable today, unstoppable today
Unstoppable today, I'm unstoppable today

Break down, only alone I will cry out now
You'll never see what's hiding out
Hiding out deep down, yeah, yeah
I know, I've heard that to let your feelings show
Is the only way to make friendships grow
But I'm too afraid now, yeah, yeah

I put my armor on, show you how strong how I am
I put my armor on, I'll show you that I am

I'm unstoppable
I'm a Porsche with no brakes
I'm invincible
Yeah, I win every single game
I'm so powerful
I don't need batteries to play
I'm so confident, yeah, I'm unstoppable today
Unstoppable today, unstoppable today
Unstoppable today, I'm unstoppable today
Unstoppable today, unstoppable today
Unstoppable today, I'm unstoppable today

I put my armor on, show you how strong how I am
I put my armor on, I'll show you that I am

I'm unstoppable
I'm a Porsche with no brakes
I'm invincible
Yeah, I win every single game
I'm so powerful
I don't need batteries to play
I'm so confident, yeah, I'm unstoppable today
Unstoppable today, unstoppable today
Unstoppable today, I'm unstoppable today
Unstoppable today, unstoppable today
Unstoppable today, I'm unstoppable today

Valerie - Amy Whinehouse

Verse

Well sometimes i go out by myself
Well sometimes I go out by myself
And I look across the water
And I think of all the things, what you're doing
And in my head I paint a picture

'Cause since I've come on home
Well my body's been a mess
And I've missed your ginger hair
And the way you like to dress
Won't you come on over
Stop making a fool out of me
Why don't you come on over Valerie?

Valerie

Valerie

Did you have to go to jail
Put your house up for sale,
did you get a good lawyer?
I hope you didn't catch a tan
I hope you'll find the right man
who'll fix it for ya
And are you shopping anywhere
Changed the color of your hair, are you busy?
And did you have to pay that fine
You were dodging all the time,
are you still dizzy?

'Cause since I've come on home
Well my body's been a mess
And I've missed your ginger hair
And the way you like to dress
Won't you come on over
Stop making a fool out of me
Why don't you come on over Valerie?

Viva la vida - Coldplay

I used to rule the world
Seas would rise when I gave the word
Now in the morning I sleep alone
Sweep the streets I used to own

I used to roll the dice
Feel the fear in my enemy's eyes
Listened as the crowd would sing
Now the old king is dead long live the king
One minute I held the key
Next the walls were closed on me
And I discovered that my castles stand
Upon pillars of salt and pillars of sand

I hear Jerusalem bells a-ringing
Roman cavalry choirs are singing
Be my mirror, my sword and shield
My missionaries in a foreign field
For some reason I can't explain
Once you'd gone there was never
Never an honest word
And that was when I ruled the world

It was a wicked and wild wind
Blew down the doors to let me in
Shattered windows and the sound of drums
People couldn't believe what I'd become
Revolutionaries wait
For my head on a silver plate
Just a puppet on a lonely string
Oh who would ever want to be king?

I hear Jerusalem bells a-ringing
Roman cavalry choirs are singing
Be my mirror, my sword and shield
My missionaries in a foreign field
For some reason I can't explain
I know St Peter won't call my name
Never an honest word
But that was when I ruled the world

Oh oh oh oh ohh oh [x5]

Hear Jerusalem bells a-ringing
Roman cavalry choirs are singing
Be my mirror, my sword and shield
My missionaries in a foreign field
For some reason I can't explain
I know St Peter won't call my name
Never an honest word
But that was when I ruled the world

Vivre / Laat me - Alderliefste, Shaffy & List

Verse

Moi qui ai vécu sans scrupules
Je devrais mourir sans remords
J'ai fait mon plein de crépuscules
Je n'devrais pas crier "encore"
Moi le païen, le pauvre diable
Qui prenait Satan pour un Bleu
Je rends mon âme la tête basse
La mort me tire par les cheveux

Chorus

Vivre, vivre
Même sans soleil, même sans été
Vivre, vivre
C'est ma dernière volonté

Verse

Ik zal m'n vrienden niet vergeten,
want wie me lief is blijft me lief.
En waar ze wonen moest ik weten,
maar ik verloor hun laatste brief
Ik zal ze heus wel weer ontmoeten,
misschien vandaag, misschien over een jaar
Ik zal ze kussen en begroeten,
komt vanzelf weer voor elkaar

Chorus

Laat me (vivre) laat me (vivre)
laat me m'n eigen gang maar gaan
(Même sans maison, même sans souliers)
Laat me, vivre, vivre, laat me,
Ik heb het altijd zo gedaan

Verse

J'avais le blasphème facile
Et j'entends d'ici mes copains
Crier: "le traître, l'imbécile"
Il meurt comme un vulgaire chrétien"
Ik hou van water en van adem,
ik hou van schamel en van duur.
Er is geen stuiver die ik spaarde,
ik leef gewoon van uur tot uur.

Chorus

Laat me (vivre), laat me (vivre)
Même bancal, même à moitié
(Laat me m'n eigen gang maar gaan).
Laat me, vivre, vivre, laat me,
Ik heb het altijd zo gedaan.

Verse

Je vois de la lumière noire
C'est ce qu'a dit le père Hugo
Moi qui ne pense pas à l'histoire
Je manque d'esprit d'à-propos
Voorlopig blijf ik nog jou zanger,
jou zwarte schaap jou trouwe fan.
Ik blijf nog lang en liefst nog langer,
maar laat me blijven wie ik ben.

Chorus

Vivre (Laat me), Vivre (laat me)
Quand faut y aller, il faut y aller
(Laat me m'n eigen gang maar gaan)
Laat me (vivre) ,Vivre (laat me),
Ik heb het altijd zo gedaan
(Vivre) Laat me, (vivre), laat me,
en plein soleil en plein été
m'n eigen gang maar gaan
(Vivre) Laat me, (vivre) laat me,
C'est ma dernière volonté
Ik heb het altijd zo gedaan
Laat me

Walking On Sunshine - Katherina & the Waves

Verse

I used to think maybe you love me,
now baby I'm sure
And I just can't wait till the day
when you knock on my door
Now everytime I go for the mailbox
gotta hold myself down
Cause I just can't wait till you write me
you're comin' around

Now I'm walking on sunshine, whoa oh
Now I'm walking on sunshine, whoa oh
Now I'm walking on sunshine, whoa oh
And don't it feel good, hey, all right now
And don't it feel good

I used to think maybe you love me
now I know that it's true
And I don't wanna spend my whole life

Now don't want you back for the weekend,
not back for a day (no no)
I said baby I just want you back
and I want you to stay

Repeat Chorus

Bridge

Walkin' On Sunshine
Walkin' On Sunshine (yeah)

I'm on sunshine baby, oh
Oh yeah, I'm on sunshine baby, oh

War - Kensington

So, cut my hands and pull my arms in
All unforeseen but no surprise
For all the men in all your armies
Throw only bait that no one bites

Up and away we all go
Into the way we run
There you will find our stronghold
Though you won't find our guns
Up and away we all go
Into the way we run
There you will find our stronghold

We won't go to war

No we won't go to war
No we won't go to war

Say, all your time is almost done here
Waste all your light on other ones

Up and away we all go
Into the way we run
There you will find our stronghold
We won't go to war

No we won't go to war
No won't go to war
No we won't go to war
No won't go to war

We're getting away

No we won't go to war
No we won't go to war

(To deny it, To deny it
Is to go when you know
that you're in it)
No we won't go to war
No we won't go to war

Way To Your Heart - Soulsister

Verse

Woke up this morning with my heart on fire
Held on to what I've been dreaming
Woke up this morning I had one desire
To get back to what I'd been seeing

Heaven, it was heaven
I have never known a bliss
Witnessed anything like this

Glowing all over as I started on my feet
Thought I heard somebody calling
Heaven, it was heaven
Now I know I've seen the light
Make it go on shining

Chorus:

I keep on searching for the way to your heart
Try to believe it's getting better
Babe take me all the way to your heart
I want you, oh-oh-oh-oh

Verse

All the sweet kisses, all the tenderness
That are being shared all around me
Only remind me of my own distress
No loving arms to surround me

Falling, I am falling
You could help me out again
Being mine forever

Chorus

I keep on searching for the way to your heart
Try to believe it's getting better
Baby take me, all the way to your heart
I want you, I want you

You got it, you got it
There'll be no doubt about it
Nobody's gonna keep me from you

Oh, I want you, I need you
I'll find a way to get through
Nobody's gonna keep me from you

Heaven, it was heaven
Now I know I've seen the light
Make it go on shining

Chorus

I keep on searching for the way to your heart
Try to believe it's getting better
Baby take me, all the way to your heart
I want you, I want you

I keep on searching for the way to your heart
Try to believe it's getting better
Baby, baby, baby, baby
I want you

Verse

Buddy you're a boy make a big noise
Playin' in the street gonna be a big man some day
You got mud on yo' face
You big disgrace
Kickin' your can all over the place

When We Stand Together - Nickelback

Verse

One more depending on a prayer
And we all look away
People pretending everywhere
It's just another day

There's bullets flying through the air
And they still carry on
We watch it happen over there
And then just turn it off

Chorus

We must stand together
There's no giving in
Hand in hand forever
That's when we all win
Th-th-that's when we all win 2x

Verse

they tell us everything's alright
And we just go along
How can we fall asleep at night
When something's clearly wrong

When we can feed a starving world
With what we throw away
But all we serve are empty words
That always taste the same

Chorus

We must stand together
There's no giving in
Hand in hand forever
That's when we all win
Th-th-thats when we all win 2x

Bridge

Right thing to guide us
Is right here inside us
No one can divide us
When the light is nearly gone

But just like a heartbeat,
The drum beat carries on
And the drum beat carries on

Chorus

We must stand together
There's no giving in
Hand in hand forever
That's when we all win
Th-th-thats when we all win

Wonderwoman - Leaf

Verse

Sometimes I feel like wonderwoman
kickin' ass and raising thunder
Burnin' up my fuels
Fighting crime
Kick a bad guy down the garbage can
Get on a date with superman,
fly the sky, just because I can
I'll be so pretty, never feel shitty
'cause i'm a well respected
lady superhero in the city
Yes I'll be doin' fine

But then i fall off, my cloud again
Brings me back to who I really am
I'm just little old me
Dealing with the same old things

Chorus

Oh oh oh oh oh oh oh oh oh
Why's my life so boring
Oh oh oh oh oh oh oh oh oh
There's gotta be a little bit more in store for
me
Oh oh oh oh oh oh oh oh oh
Why's my life so boring
Oh, I'm up for a little bit more

Just a little somethin'

Verse

Oh why can't I be just an ordinary girl
Bread and cheese for breakfast every day
Show my cookin' skills off,
cause I'm in love with my oven clove
Give me something to dust off!
I'm going crazy!
Never lazy, Oh life is wonderful
With coffee two sugars
and the bold and the beautiful
I'm still single, but I feel ditched
I can't believe Ridge really married that bitch

Oh!!! This ordinary life is a waste
And I'll never own a red cape
But still my mind can fly
and bake you perfect apple pie!

Cause were all little old me's
Dealing with the same old things!

Chorus

Oh oh oh oh oh oh oh oh oh
Why's my life so boring
Oh oh oh oh oh oh oh oh oh
There's gotta be a little bit more
in store for me
Oh oh oh oh oh oh oh oh oh
Why's my life so boring
Oh I'm up for a little bit more!

Bridge

Well I'm a, twisted sistah, but sweet I remain
In this crazy inner world
is where I spend most days
Trying' to amplify my heart
and find a brain that works
I'm calling on various characters
to make this crazy boring bubble burst

Chorus

Oh oh oh oh oh oh oh oh oh
Are we meant to be sheep in the heard!??
That's my word, and the trouble I find
The world ain't so dull man
It's all in our mind,
Where we're all little old me's
Dealing with the same old things!

Chorus

Oh oh oh oh oh oh oh oh oh
Why's my life so boring
Oh oh oh oh oh oh oh oh oh
There's gotta be a little bit more in store for
me
Oh oh oh oh oh oh oh oh oh
Why's my life so boring
Oh, I'm up for a little bit

Oh give me just a little bit!
Yeah I'm up for a little bit more!

You - Ten Sharp

Verse

It's all right with me
as long as you
are by my side

Talk or just say nothing
I don't mind your looks never lie
I was always in the run
finding out what I was looking for
And I was always insecure
just until I found

Verse

Words often don't come easy
I never learned
to show you the inside of me
Oh no my baby

You are always patient
dragging out what I try to hide

I was always on the run
finding out what I was looking for
and I was always insecure
until I found

you're my always shining star

You Ain't Seen Nothing Yet - B.T.O

Verse

I met a devil woman
She took my heart away
She said, I've had it comin' to me
But I wanted it that way
I think that any love is good lovin'
So I took what I could get, mmh
Oooh, oooh she looked at me
with big brown eyes and said.

Chorus

You ain't seen nothin' yet
B-b-b-baby, you just ain't seen n-n-nothin' yet
Here's something
that you never gonna forget
B-b-b-baby, you just ain't seen n-n-nothin' yet

"Nothin' yet
You ain't been around
That's what they told me"

Verse

And now I'm feelin' better
'Cause I found out for sure
She took me to her doctor
And he told me of a cure
He said that any love is good love
So I took what I could get
Yes, I took what I could get
And then she looked at me
with big brown eyes and said.

Chorus

You ain't seen nothin' yet
B-b-b-baby, you just ain't seen n-n-nothin' yet
Here's something, here's something
your never gonna forget
baby, you know, you know,
you know you just ain't seen nothin' yet

"You need educatin'
You got to go to school"

Bridge

Any love is good lovin'
So I took what I could get
Yes, I took what I could get
And then, and then, and then
She looked at me with them big brown eyes

Chorus

And said,
You ain't seen nothin' yet
Baby, you just ain't seen n-n-nothin' yet
Here's something, here's something
Here's something
that your never gonna forget, baby
Baby, baby,
baby you ain't seen n-n-nothin' yet
You ain't been around
You ain't seen nothin' yet
That's what she told me
She said, "I needed educatin', go to school"
I know I ain't seen nothin' yet
I know I ain't seen nothin' yet.

You Oughta Know - Alanis Morissette

Verse

I want you to know, that I'm happy for you
I wish nothing but the best for you both
An older version of me
Is she perverted like me
Would she go down on you in a theatre
Does she speak eloquently
And would she have your baby
I'm sure she'd make a really excellent mother

Verse

'cause the love that you gave
that we made wasn't able
To make it enough for you to be open wide,
no
And every time you speak her name
Does she know how you told me
you'd hold me
Until you died, till you died
But you're still alive

Chorus

And I'm here to remind you
Of the mess you left when you went away
It's not fair to deny me
Of the cross I bear that you gave to me
You, you, you oughta know

Verse

You seem very well, things look peaceful
I'm not quite as well,
I thought you should know
Did you forget about me Mr. Duplicity
I hate to bug you in the middle of dinner
It was a slap in the face
how quickly I was replaced
Are you thinking of me when you fuck her?

Verse

'cause the love that you gave
that we made wasn't able
To make it enough for you to be open wide,
no
And every time you speak her name
Does she know how you told me
you'd hold me
Until you died, til you died
But you're still alive

Chorus

And I'm here to remind you
Of the mess you left when you went away
It's not fair to deny me
Of the cross I bear that you gave to me
You, you, you oughta know

Verse

'cause the joke that you laid on the bed
that was me
And I'm not gonna fade
As soon as you close your eyes
and you know it
And every time I scratch my nails
down someone else's back
I hope you feel it...well can you feel it

Chorus

Well, I'm here to remind you
Of the mess you left when you went away
It's not fair to deny me
Of the cross I bear that you gave to me
You, you, you oughta know

Zombie - The Cranberries

Verse

Another head hangs lowly
Child is slowly taken
And the violence caused such silence
Who are we mistaken

but you see, it's not me it's not my family
in your head, in your head they are fighting
With their tanks, and their bombs,
and their bombs, and their guns
in your head, in your head they are crying

Chorus

In your head, in your head
Zombie, zombie zombie E__eh E__eh
What's in your in your head, in your head

and their bombs, and their guns
in your head, in your head they are dieing
